5 x 100ml	Rs. 6,990	Save Rs. 505

Website / Developer Note

This pricing structure can be displayed on the 100ml product page as a quantity-based bundle selector or a separate 'Multi-Bottle Savings' section. Keep the presentation clean and professional. Do not use decorative emojis or icon-style graphics. Clearly show the quantity, final deal price, and saving amount. The 1-bottle option is the standard price; the saving label starts from 2 bottles.
