5 x 150ml	Rs. 8,200	Save Rs. 295

Website / Developer Note

Display these offers on the 150ml product page as a quantity-based bundle selector or as a separate Multi-Bottle Savings section. Keep the layout clean and professional. Do not use decorative emojis or unnecessary icon-style graphics. Clearly display the quantity, final deal price, and customer saving. The 1-bottle option is the standard price; saving labels begin from 2 bottles.
